The Beauty Within: *Speaking from the heart* *Our August Presentation*

Why do we dedicate so much time to our craft? What compels us to get up off the couch and step out of the door, camera in hand? Five of our PPF comrades will explain their motives, motivations and their modus operandi. Moderator Friderike Heuer will help us all to explore how photography fills our hearts, and how to share that with our friends and community.

Think In Threes

August 10 to September 30

Thank you to all who submitted images!

Join us for the reception:
